Idaho Falls, Idaho 83402

February 27, 1991

Mr. David L. Humphrey, Deputy Director
Idaho Department of Health and Welfare
Office of the Director
450 W. State Street
Boise, ID 83720

SUBJECT: Submittal of Summary Analytical Data for
Investigations at the ICPP, ERD-036-91

REFERENCE: Letter from S. R. Hill to J. E. Solecki, "Long-
Standing and New Requests for Information," dated
September 17, 1990

Dear Mr. Humphrey:

This correspondence forwards two copies of summary analytical data for investigations at the ICPP associated with waste disposal sites CPP-39, CPP-34, and CPP-55. Submittal of the data for CPP-39 is being made as requested in the above reference. Information from CPP-34 and CPP-55 is being voluntarily provided. The submittal includes validated data from Contract Laboratory Program (CLP) Form I Summary Sheets provided by the WINCO subcontracted laboratory.

If you have any questions, please contact W. N. Sato at (208) 526-0193 or L. A. Green at (208) 526-0417.

Sincerely,

A handwritten signature in black ink, appearing to read "J. E. Solecki".

J. E. Solecki, Acting Assistant Director
Environmental Restoration and
Waste Management
