This Supplement to the Community Relations Plan (CRP) for Remedial Investigations at the Idaho National Engineering Laboratory (INEL) is for the Remedial Investigation/Feasibility Study (RI/FS) for the exterior Industrial Waste Ditch (IWD) at the Naval Reactors Facility (NRF) Waste Area Group (WAG) 8. All community relations will be conducted as stated in the INEL CRP. Public meetings on this RI/FS will be held in conjunction with public meetings for other INEL facilities whenever practical.

The IWD RI/FS documents listed below will be placed in the Administrative Record and public repositories as stated in the INEL CRP. Refer to the Scope of Work for the IWD RI/FS schedule for completing these documents.

**Scope of Work**

**RI/FS Work Plan**

**Sampling and Analysis Plan**

**Health and Safety Plan**

**Community Relations Plan**

**RI Report with Baseline Risk Assessment**

**RI/FS Report**

**Proposed Plan (Public Review)**

**Record of Decision**
