Please set-up the files for the V-tank ROD Amendment the same way we set-up additions to the Administrative Record when we amended OU 1-07B.

Yes, please put the Technology Evaluation Scope of Work in the information repository. There has been public interest since we sent out the fact sheet and we want to share the base document.

Hi Katie,

Do you want DOE/ID-10999, Rev. 0, Technology Evaluation Scope of Work for the V-Tank, TSF-09/18, at WAG 1, OU 1-10 placed in the information repository?

Thanks,

Joy
