Dear Mr. Nygard and Mr. Pierre:

This letter fulfills a commitment made in reference (1) by submitting, as an enclosure, the "Draft Scope of Work (SOW) for a Post-Five-Year Remedy Review Work Plan" to your Agencies for review and comment.

The draft SOW identifies new scope to address the issues identified in reference (2). No task start dates are provided in the enclosure. At this time, all FY 2003 funds provided to the INEEL's Environmental Management Program are allocated to other compliance tasks. The new scope will be included in the prioritization of work for FY 2004.
