Re: Request to Delete Operable Unit (OU) 1-11 and Reassign Sites to OU 1-10 and  
OU 10-08

Dear Ms. Hain:

EPA received your letter on May 4 requesting concurrence to delete the Waste Area Group (WAG) Operable Unit (OU) 1-11 and reassign the three sites in the OU to either OU 1-10 or OU 10-08. Any other new sites found at Test Area North (TAN) will be assigned to one of these operable units as well.

EPA has completed its review of this request and agrees to reassign these sites and any other new sites at TAN to OU 1-10 or OU 10-08, as appropriate.

Please have someone on your staff contact Matt Wilkening at 208/378-5760 if you have any questions regarding this letter.

Sincerely,

A handwritten signature in black ink that reads "Nicholas Ceto".
