Re: Operable Unit 10-04 Long-Term Ecological Monitoring Report for Fiscal Years 2003-2008,
Revision 1 (DOE/ID-11390) (WDP-RWMC-122-024)

Dear Ms. Hain:

The U.S. Environmental Protection Agency has completed review of the Operable Unit 10-04 Long-Term Ecological Monitoring Report for Fiscal Years 2003-2008 and agrees with the conclusion that no further ecological work is required under the 10-04 Record of Decision. We agree that the U.S. Department of Energy should finalize the Remedial Action Report.

Sincerely,
